

Industrial Electronics

S.No.	Subject Name
1	Basics Of Vlsi Design
2	Computer Networks
3	Control Engineering
4	Control Engineering
5	Digital Ic Design Using HdI's
6	Industrial Management & Entrepreneurship
7	Micro Processors and Interfaces
8	Micro Processors and Interfaces
9	Microcontrollers and Embedded Systems
10	Process Control
11	Process Control
12	Transducers And Sensors
13	Transducers And Sensors
