

## Bio-Medial Engineering

S.No.	Subject Name
1	Analog communication
2	Basic Electrical Engineering
3	Biomedical Equipment II
4	Bio-Medical Equipment-I
5	Biomedical instrumentation
6	Biomedical signal processing
7	Circuit theory
8	Computer hardware & maintenance
9	Computer Networks
10	Digital Electronics
11	Electronic circuits I
12	Electronic circuits-II
13	Industrial & Power Electronics
14	Industrial Management & Entrepreneurship
15	Measurement & Test equipment
16	Medical Electronics
17	Medical Implants Engineering
18	Micro Processors and Interfaces
19	Micro-controllers and Embedded Systems
20	Physiological Systems Engineering
21	UNIX & C
