

Software Engineering

S.No.	Subject Name
14	Advance Java Programming
4	Computer Architecture
3	Computer hardware & maintenance
13	Computer Networks
1	Digital Communication
15	Digital IC Design Using HDLs
2	Electronic Circuits - II
12	Industrial Management & Entrepreneurship
11	Microcontrollers & Embedded Systems
10	Microprocessors And Interfaces
5	OOPS through C++
8	Relational Database Management Systems
9	System Administration
6	Systems Software
7	Unix Systems Prog. Through C
