

Electrical Engineering

S.No.	Subject Name
1	Basic Electrical Engineering
2	Circuits and Systems
3	Control Systems
4	Electric Power System
5	Electrical & Illumination Design
6	Electrical Circuits
7	Electrical Engineering Materials
8	Electrical Measurements & Instruments
9	Electrical Science
10	Electricity & Magnetism
11	Elements of Electrical Engineering
12	Engineering Chemistry
13	Engineering Mathematics - I
14	Engineering Mathematics - II
15	Engineering Mathematics - III
16	Engineering Mechanics
17	Engineering Physics - I
18	English-1
19	Introduction To Programming
20	Manufacturing Process
21	Repair of Electrical Machine
22	Switchgear and Protection
