

## Electronics & Communication Engineering

S.No.	Subject Name
1	Advanced Communication Systems
2	Advanced Microprocessors
3	Analog Communication
4	Audio & Video Systems
5	Basic Digital Electronics
6	Basic Electronics
7	Circuit Theory
8	Circuits and Systems
9	Computer Hardware
10	Consumer Electronics
11	Control Systems
12	Data Communication Network
13	Network Technology
14	Digital Circuits and System - I
15	Digital Circuits and System - II
16	Digital Communication
17	Digital Signal Processing
18	Electrical Science
19	Electronic Components & Devices
20	Electronic Measuring Instruments
21	Electronics Materials & Components
22	Industrial Electronic
23	Industrial Management & Entrepreneurship
24	Instrumentation
25	IT and 'C' Language
26	Medical Electronics
27	Micro Controller & Applications
28	Micro processors
29	Microwave Engineering
30	Power Electronics
