

## Instrumentation and Control Engineering

S.No.	Subject Name
1	Analog Electronics I
2	Analog Electronics II
3	Basic Digital Electronics
4	Circuit Theory
5	Circuits and Systems
6	Consumer Electronics
7	Control Systems
8	Data Structure
9	DC Machines
10	Digital Signal Processing
11	Electronic Circuits-I
12	Electronic Circuits-II
13	Electronic Components & Devices
14	Electronic Measuring Instruments (EMI)
15	Engineering Chemistry
16	Engineering Mechanics
17	Engineering Physics - I
18	Instrumentation
19	Introduction To Programming
20	Linear IC Applications
21	Manufacturing Process
22	Micro Controller
23	Microprocessor System - I
24	Microprocessor System - II
25	Pneumatics and Hydraulic Instrumentation
26	Power Electronics
27	Process Control
28	Process instrumentation –II
29	Process Instrumentation-I
