

Chemical- Petro Chemical

S.No.	Subject Name
1	Chemical Process Calculations
2	Energy and environmental studies
3	Industrial Management & Entrepreneurship
4	Instrumentation and process control
5	IT & "C" Language
6	Materials Technology
7	Petrochemical Technology-1
8	Petrochemical Technology-II
9	Petroleum Refining.
10	Process Technology
11	Thermodynamics & Reaction Engineering
12	Unit operations – II
13	Unit Operations-I
