

## Software Engineering

S.No.	Subject Name
1	Advance Java Programming
2	Computer Architecture
3	Computer hardware & maintenance
4	Computer Networks
5	Digital Communication
6	Digital IC Design Using HDLs
7	Electronic Circuits - II
8	Industrial Management & Entrepreneurship
9	Microcontrollers & Embedded Systems
10	Microprocessors And Interfaces
11	OOPS through C++
12	Relational Database Management Systems
13	System Administration
14	Systems Software
15	Unix Systems Prog. Through C
